High School Students

The total number of hours includes the time it will take students to engage in the recorded and posted individual online learning and any resulting work or activities.

Grades 9-12 3 hours of work per week **per** course

Delivery of secondary program will be a combination of teacher directed content, which is posted online and teacher dedicated time to be available to support students on Microsoft team meet or by telephone.

Secondary students will be assigned learning tasks, projects and culminating activities that will be marked by their teachers. Teachers will communicate results of these marked assignments to students. Results will be used by teachers to inform students' final course marks.

Content will be posted on (Bright space) by 9:30am Monday of each week.

Senior Students

Secondary teachers will be focused on ensuring that senior students are supported in order for them to graduate. The Ministry of Education is working with the Ministry of Colleges and Universities to coordinate admissions for students entering post-secondary education.

Community involvement hours and the Ontario Secondary School Literacy Test (OSSLT) requirement for the 2019-20 graduating class are waived.
